## **AUTHORITY**

Title 16, California Code of Regulations section 961 states:

- (a) In teaching, schools shall use text and reference books approved by the board. They may use other teaching material to supplement the approved text and reference books.
- (b) Each student shall possess the following:
  - (1) At least one (1) of the textbooks approved by the board.
  - (2) The Performance Criteria developed by the board
  - (3) The Barbering and Cosmetology Act and the Rules and Regulations of the Board of Barbering and Cosmetology.
- (c) There shall be available for the use of students in the school:
  - (1) A list of the text and reference books approved by the board.
  - (2) Any two approved texts other than the one text possessed by the student. (Shall not apply to barbers schools if there are less than three approved texts.)

Approval of a textbook does not necessarily imply concurrence with the book's entire content. A book is approved for inclusion on the list because it contains sufficient basic information needed for a student to pass the California licensing examination and practice safely on the public. Supplemental reference books do not need prior approval to be used in an approved school of barbering, cosmetology, or electrology.

**NOTE:** SOME OF THE TEXTBOOKS IDENTIFIED ON THIS LIST MAY NO LONGER BE IN PUBLICATION. HOWEVER, THE TEXTBOOK WILL REMAIN ON THIS LIST UNTIL ALL WRITTEN TEST QUESTIONS ARE REVIEWED AND REVISED WITH A NEWER REFERENCE.
